SENSEI'S BIRTHDAY

It will be no surprise to you all that this gasshuku keikokai falls on Sensei's birthday.

This year he will be 70 years old, but even so has agreed to come and support us. Myoken Dojo wish to organise a special gift for the occasion, and so we have asked for a voluntary contribution of £5.00 towards the cost. The option is on the application form.

RISING PRICES

It is an unfortunate feature of modern life that prices increase. Myoken Dojo has endeavoured to keep the prices of the Gasshuku as low as possible. In 2017 it became clear that we had not built a contingency into the price for unexpected costs, such as fluctuations in the cost of air fares. The dojo covered the increased cost this time but cannot afford to do so again. Also, the cost of the hotel is rising, and this is something we have no control over.

This year the whole package is priced at £225. I'm sure those who have attended in the past will agree that even so it is still good value for money.
